News Release

Municipal Census

Edson, Alberta, May 15th, 2012 – The Town of Edson is conducting a municipal census starting May 31st.

There are a few ways to 'count yourself in'. Enumerators will be going door to door with a brief questionnaire. If you are not home at that time, a card will be left at your door with instructions for either calling the information in by phone, or accessing the questionnaire online.

The purpose of the Census is to ensure the Town of Edson receives its fair share of per capita grant funding, which is important for supporting growth and programming in our community. All information collected will be kept confidential and used only for the production of anonymous statistics for the Town.

The following questions will be a part of the 2012 Municipal Census Questionnaire;

- Confirmation of address
- Number of occupants in the home, age and gender
- Location of work (County or Town)

For more information you can contact Ann Dechambeau at the Town of Edson Civic Centre at 780-723-4401.
