## ***Council Notes***

***February 10<sup>th</sup>, 2015***

- 1. Integrated Traffic Services Presentation.** Council received a presentation from the Integrated Traffic Services Unit. They gave an update on their role in and around the community, their service area and some stats from this district.
- 2. Trans Mountain Pipeline MOU.** Mayor Greg Pasychny and Trans Mountain's Patrick Hanrahan signed the Memorandum of Understanding (MOU) regarding Trans Mountain Pipeline's Community Benefit Projects in the area. The deal will see a \$300,000 contribution from Trans Mountain toward funding the improvement and extension of 4 kilometers of trails and for the Hillendale Phase II Park Development.
- 3. Recycling Society Funding Request.** Council authorized an increase in the 2015 budget for the purchase of the new bailer for the Edson and District Recycling Society up to \$30,000 (Town Share of \$19,500). This is contingent upon approval from Yellowhead County for their share. The cost of a new bailer had increased due to the Canada/US exchange rate.

- 5. Council Meeting Cancellation.** The regularly scheduled Council Meeting for February 17, 2015 at 7:30 P.M. has been cancelled.

**The next Council Meeting is scheduled for February 24<sup>th</sup> at 1:30pm in the Council Chambers of the Edson Civic Building.**
