Strategic Priorities

Edson, Alberta, June 30th, 2015 – Edson Town Council has adopted some Strategic Priorities to help guide future decisions.

Strategic Priorities Plan – 2015-2017 was adopted as presented at last week’s Council meeting. Town Manager Mike Derricott says this is a high level document that will help shape what type of projects and decisions Council and Administration make moving forward.

There are 5 pillars in the plan including;

- Building and Strengthening our Foundation
- Organizational Strength and Resiliency
- Governance and Partnerships
- Vibrant and Healthy Community
- Diverse and Strong Economic Opportunity.
