Multi-Use Facility Update – Feb 5th, 2019

Edson, Alberta, February 5th, 2019 – The Regional Multi-Plex Steering Committee has received an update from the architects.

The Steering Committee met with Stantec this afternoon to review preliminary designs and site selection. No further information will be released until both Edson and Yellowhead County Councils have had a chance to discuss the details.

The Steering Committee plans to meet again February 12th for further discussions.
