

# MUNICIPAL RELAUNCH STRATEGY

## Current

Emergency Coordination Centre (ECC) continues to meet to review Provincial updates and discuss reopening plans for facilities and operations.\*

Staged reopening of facilities planned at this time.

Firehall to remain closed to the general public at this time.

## May 14

The Civic Centre will open for scheduled meetings & pre-booked appointments ONLY. Masks required where distancing cannot be met.

Additional safety measures to be implemented for staged re-opening.

Arena, Pool and Spray Park to remain closed at this time.

Mass gathering rules relaxed to line up with Provincial numbers (15)

## June 1

Civic Centre will be open 10am to 3pm on Tuesdays with additional safety measures in place. Masks required where distancing cannot be met. Remote business still encouraged.

Willmore Park reopens for recreational camping with restrictions in place on occupancy, types of camping units, etc.

ECC will continue to review and relax restrictions as it's safe to do so and based on Provincial direction.

## June 15

Civic Centre will be open 10am to 3pm on Tuesdays and Thursdays with additional safety measures in place. The Public Works Building open to limited access. Remote business still encouraged at both facilities.

ECC will reevaluate current situation and provincial data to determine if more restrictions can be lifted or additional facilities/operations can continue.

## Phase 2 Date TBD

Continue to monitor Provincial recommendations and restrictions and start planning for further facility openings as allowed by the Provincial relaunch plan.

Phase 2 of the Provincial strategy includes libraries and Phase 3 could see the reopening of recreation facilities.

Timing and conditions will be determined by the Province.

\*Some limitations will remain due to the 2020 emergency budget

ONGOING

Regular updates to the community  
(press conferences, web updates, social media)
