News Release

Extended Provincial COVID Regulations

Edson, Alberta, January 8th, 2021 – The Provincial government has announced the extension of the current COVID-19 restrictions. Citing high active case numbers, hospitalizations, ICU admissions, and daily death counts, Premier Jason Kenney made the announcement that the measures put in place last month would continue until at least January 21st, 2021.

Locally, active case numbers have continued to decline. As of the end of day January 6th, the Edson Zone (Central Yellowhead County) is listed as having 14 active cases, 218 recovered, and 1 death. There has been a total of 233 cases to date for this local geographic area.

PROVINCIAL RESTRICTIONS

Expanded health measures are in effect province-wide. All Albertans, businesses, organizations and service providers must follow all new health measures.

While in-school learning is scheduled to start again on January 11th, the remaining measures will stay in place until at least January 21st, 2021.

For the full listing, including the business restrictions, mask requirements, and social gathering restrictions, please visit the Provincial website.
