

To whom it may concern,

The Edson Volunteer Fire Brigade is proud to run our Community Tent Program throughout the summer months. This initiative is the Fire Brigade's main fundraiser.

The Edson Volunteer Fire Brigade is the social committee of the Edson Fire Department. It is a member driven organization that raises funds and organizes events for our membership. Funds raised by the Brigade have gone to items like gym equipment, training room comforts, optional equipment not covered by regular Fire Department budget, hosting Firefit events, member scholarships, and more.

Other fundraisers held by the Brigade include the Fire vs RCMP Charity Hockey Game, Fire Extinguisher Training, Medical Stand-By for Events, etc.

In 2020, the Brigade purchased a brand new 60' x 40' tent for this initiative. It is rented out at a discounted rate to allow residents in the Edson and Yellowhead County area to host personal and community events.

Community support is key to allowing the brigade to recoup some of the costs of purchasing the new tent and being able to continue our operations. As such, sponsorship opportunities are now being offered in exchange for logo placement on the new tent's trailer. The trailer is used to transport the tent to all events and is most often stored at the event or outside the fire hall.

Any donations are greatly appreciated. Donations of over \$3,000 will have their logo displayed on BOTH sides of the trailer under a sponsorship banner. (4 spots open) A donation of \$1,500 will have a smaller logo displayed on the rear doors of the trailer. (6 spots open). The trailer wrap is planned for the 2022 rental season.
