+ MAYOR'S MESSAGE

As the vibrant colors of summer slowly fade to autumn hues, I extend my warmest greetings to each of you.

The fall season is a time of transformation. Our trails and parks will soon be covered with the crunchy golden foliage that has encouraged jumping into piles of leaves and inspired gorgeous photographs for generations. Edson and the surrounding region is blessed with many opportunities to explore the outdoors.

Our Community Services team has once again developed a schedule of quality programming and events for residents of all ages, with numerous activities and classes from which to choose. This comprehensive fall brochure will be your guide to all the exciting events and activities that await you this season.

As the cooler winds beckon us indoors, children return to school, and our local sports teams begin practising, we have curated an assortment of events and workshops to enrich your fall experience. You won't want to miss the extremely popular Community Pig Roast and Downtown Art Walk on September 14th or Skate with Santa on December 16th events.

In the spirit of Truth and Reconciliation, I encourage you to support the local Friendship Centre and their efforts during this time of reflection.

Autumn is also a time of Thanksgiving. Let us celebrate overcoming the trials of this spring and having emerged with a renewed sense of community. I hope to see that sense of community continue as we lend a

helping hand or show compassion to those who may require a little extra care and support this fall.

In addition, we have a thriving local business community which is growing and eager to welcome you. From restaurants and retail shops to our wonderful local movie theatre and ever popular bowling alley, I encourage everyone to make a commitment to support our local businesses.

As a Council we have worked hard alongside Administration to respond to community concerns. While recent emergency events have delayed progress on some of our goals, our focus remains on building a strong, vibrant, inclusive community that provides the highest possible level of service while ensuring long-term sustainability.

I am proud to be the Mayor of such a vibrant and close-knit community. Let's make this fall a time to cherish, celebrate, and foster deeper bonds within our remarkable community.

On behalf of Town Council, I hope you enjoy a fantastic fall!
 – Mayor Kevin Zahara

Become a Lifeguard

Why become a lifeguard?

Being a lifeguard is much more than sitting in a chair watching the pool. Lifeguards become a close team of friends you can count on. Lifeguards learn about the water chemistry of pools and what it takes to keep a pool safe & clean all while enjoying the hot humid environment all year round. They learn how to teach people to be safe in and around the water. Lifeguards practice incident prevention, water safety & learn life skills all while having fun and collecting a paycheck. If you are looking for a career that is rewarding, fun and challenging, join the world of Aquatics.

WHAT IS

"We're a spark in every community, encouraging people and partners to come together to figure out their needs.

When one person feels safe and healthy, they contribute to a stronger family.

When families are strong, they're a bigger part of their community. And when communities are healthy, they're motivated to give - of their time, of their compassion - to support individuals."

What do we do?

- Creating connections through programs and information
- Enhancing the wellbeing of individuals, families, and communities
- Supporting innovation, creativity, citizen participation, self-help, and volunteerism

OUR GOAL? Healthy, resilient communities.
