

May 16, 2024

Public Notice – 18<sup>th</sup> Avenue Construction Project.

Parkway Enterprises will be commencing the rehabilitation of 18<sup>th</sup> Ave from 48<sup>th</sup> Street going west to the end of the cul-de-sac. During construction there will be road closures and detours as follows:

1. Effective Tuesday May 21, 2024, 18<sup>th</sup> Avenue between 48<sup>th</sup> and 49<sup>th</sup> Street, plus 48<sup>th</sup> Street between Edson Drive and 17<sup>th</sup> Avenue will be closed to through traffic for approximately six weeks. Impacted residents along 18<sup>th</sup> Avenue will be provided back lane access to their property.
2. All other traffic is requested to use 49<sup>th</sup> Street and 12<sup>th</sup> Avenue as an alternative detour route during the construction period.
3. ***Garbage collection for the properties along 18<sup>th</sup> Ave between 48<sup>th</sup> Street and 49<sup>th</sup> Street will be done via the back alleys for the duration of the project.***
4. Houses that are to be connected to temporary water service will be switched over beginning Tuesday May 21, 2024, and Wednesday May 22, 2024. The Contractor will meet with each individual homeowner to ensure that the main shutoff valve inside the house is closed and that the temporary water system is working.
5. To ensure the quality of water in your homes during this temporary connection, we strongly encourage all residents of the affected houses to take the following precautionary measures once connected to the temporary water:
  - a. ***Shut off the water supply to the water heater and water softener until you complete the flushing process.***
  - b. ***Turn on all taps (excluding the shower head) in your home to flush your plumbing system.***
  - c. ***Allow the water to run for at least 5 minutes before using it for any purpose.***
  - d. ***Do not use the washing machine until the flushing process is complete and until you make sure that the water is clear from any potential discoloration or sediment.***
  - e. ***Once you ensure that the water is clear from any potential discoloration or sediment, you can turn the water supply back on to the water heater and water softener.***

For the safety of our workers, and the public, please adhere to all traffic signage posted within the construction zone.

We apologize for any inconvenience this may cause, and kindly request your patience and cooperation during this time.

Thank you.
