

**CONSTRUCTION**  
UNDERGROUND INFRASTRUCTURE

## UPDATED CONSTRUCTION NOTICE

This notice is to inform you that we will be performing construction involving underground sanitary pipe replacement on Highway 16, near 54<sup>th</sup> Street. These upgrades are essential in order to upsize the existing sanitary pipe to prevent future system flooding.

The intended start date for construction on the Westbound portion of Highway 16 will commence on June 6<sup>th</sup>, with an expected duration of one week, weather dependent.

This work will result in the Westbound portion of Highway 16 being reduced to one lane during the above dates. Businesses/Residents will not be able to access 54<sup>th</sup> street from Highway 16 during this time, so please plan alternate routes. Individuals requiring access to 54<sup>th</sup> Street South of 1<sup>st</sup> Ave, please use 51<sup>st</sup> Street.

For the safety of our workers, and the public, please adhere to all traffic signage posted within the construction zone. Please see the attached map showing the area that will be affected during construction.

We apologize for any inconvenience this may cause and appreciate your cooperation during this time. If you have any questions or concerns, please contact one of our team members below for more information.

Kyren Larson	Project Supervisor	780-966-7696
Ryan Howse	Superintendent	780-297-1320
GS Construction Office: Ext. 0	GS Office	780-962-3544

We thank you in advance for your cooperation,

**G.S. Construction**
