Important information:

For the safety of swimmers and instructors Preschool 1 requires a caregiver in the water. Once Preschool 1 has been passed a caregiver is not required for Preschool 2+. If your swimmer is shy, we welcome caregivers in the water for all levels.

It is not required to call in absent for a swimming lesson. Swimming lessons are evaluated daily, missing lessons does not mean failure. Please do not bring swimmers that are injured, ill or that have open wounds.

Swimmers are required to have passed the previous level. Swimmers that are registered in levels that are too advanced will be moved to correct level if there is space. If there is not space in the correct level a refund will be applied to the swimmers' active net account minus the \$10 administration fee. If you are unaware what level to place your swimmer in, contact katieb@edson.ca to book an evaluation. (\$10 fee)

Cancellation & Refund Policy:

Course/programs may be cancelled at the Town's discretion, if that happens you will be notified, and a complete refund will be issued. If registrants withdraw from a program more than 1 week prior to the start of a program a full refund will be issued to the registrants Active Net account or via Electronic Funds Transfer. If the registrants withdraw from a program less than 1 week prior to the start of the program a \$10 administration fee will be charged, and the remaining amount will be placed on the registrants Active Net account or via Electronic Funds Transfer. No refunds will be issued after the start of a program. We cannot refund online transaction fees.

Swim SAFE and have FUN!!
