Addendum #1

Question # 1

For the collection of overnight and firewood fees, are those to be returned to the Town, or is it whatever we collect we keep?

Answer # 1

This would be your income.

Question # 2

Is it cash only or is there an e-transfer/debit/credit option?

Answer # 2

It's your choice on what payments you take.

Question # 3

What are the overnight and firewood fees for the upcoming summer season?

Answer # 3

This is a discussion for the winning Bidder. I would plan on \$20.00 to \$25.00 a night.

Question # 4

Since the day-use area is year-round, are we responsible for snow removal during the winter months?

Answer # 4

Yes, but just for the recreation lease area. Yellowhead County is responsible for the entrance.
