Open Air Burning Permit Additional Information

Type and description of material proposing to burn:
Precautions taken to ensure fire remains under control:

*For ONE-TIME open air burning, this permit is valid for 10 days from approval date.
 **For REPEATED burning of the same material type in the same area, this permit is valid for one calendar year.

**Breaches of policy or the conditions of the permit can lead to the removal of the permit or penalties.
 All fire pits and open burning MUST abide by the Town of Edson restrictions, including burn bans, if implemented.**

A Recreational fire pit must not exceed 1 metre in diameter; be a minimum of 20cm in height; constructed of non-combustible material (brick, steel, rock); located greater than 3 meters from property line and combustible materials such as fences, structures, decks, trees, foliage as measured from the nearest outside edge of the fire pit; and located greater than 0.6 meters laterally from underground utilities. Only clean, dry/seasoned fire wood is permitted for burning. During burning, a spark arrestor screen shall be used with openings not exceeding 12.5mm in any dimension. See example diagram attached.

All recreational fire pits and open-air burning areas are subject to inspection by the Fire Chief, or his Designate, prior to issuing a Fire Permit.

USE REGULATIONS

1. The use of fire pits within Town is intended for recreational purposes only.
2. The user shall not allow smoke or sparks to create a nuisance or hazard to neighbors or to other properties.
3. Only clean seasoned wood that is not contaminated with glue, paint, stain or other preservatives may be used for burning.
4. Refuse or waste materials including grass and leaves shall not be burned.
5. Large fires or bon fires are not permitted; fires shall not have a flame height of more than 50 centimetres (20 inches) above the fire pit screen surface

FIRE PERMIT CONDITIONS

1. The applicant is responsible for the fire(s) authorized by this permit and shall be held liable for all damages caused by him/her, or others, while acting under this permit.
2. The applicant shall provide at the site during light up and for safeguarding the fire(s) authorized by this permit, a competent adult person(s) suitably equipped to effectively safeguard the fire.
3. No fire(s) are to be lit if the wind exceeds 20 kilometres per hour.
4. The applicant shall give consideration to neighbors so as to avoid smoke from entering their property.
5. The applicant shall totally extinguish all fire(s) authorized by this permit on or prior to the expiry of this permit; or shall extinguish the fire(s) upon suspension or cancellation of this permit or when instructed to do so by a representative of the Town of Edson.
6. The applicant shall also abide by additional written conditions attached to this permit.
