## **WHY VOLUNTEER?**

Evidence has proven that volunteering does wonders for your mind, body and spirit, while also giving you time away from the pressures of day to day life.

It makes a difference in your community and connects you to others.

It fits around your schedule. How much time you volunteer is up to you. Whether it's 45 minutes or a few hours, it all counts.

## COMMUNITY VOLUNTEER INCOME TAX PROGRAM

Town of Edson Family and Community Support Services (FCSS) is looking for volunteers 18 years of age or older who are interested in helping out with the Community Volunteer Income Tax Program in 2020.

This program runs annually and there are many roles volunteers can play. From checking files before they're completed to filling out intake forms with members of the public. There are tasks that can be done at home and during clinic hours.

Time commitment can range from 2 to 28 hours a week, depending on your availability and interest. You can do more one week and less the next. All help is appreciated.

Training sessions are done at your own pace and online, beginning at the end of December until about February. The clinic runs Monday-Thursday during March and April 2020.
